Use Wire Fences for Telephoning.

Telephonic communication has been
established between a number of Aus-
tralian farms by means of wire fences.
It has been found easy to converse
with a station eight miles distant by
means of instruments connected on
the wire fences. Several stations are
thus connected.

A Prediction Verified.

It was during Bradley's administra-
tion that the legislative halls were,
for the first time in a third of a cen-
tury, filled with soldiers. It was dur-
ing the same administration that sol-
diers were in evidence at the polls on
election day for the first time since
1865.

It was during the few months of
Taylor's usurpation that the State
Capitol was again filled with soldiers
the members of the General Assembly
and of the Court of Appeals, driven,
at the point of the bayonet, from their
legal places of meeting.

The daily papers are telling what
Willson's soldiers are now doing.
These three men are the only Republi-
cans who have, since the Civil War, oc-
cupied the Governor's chair, and each
of them has called into action the mili-
tary force of the State.

Governor Beckham, during the cam-
paign last fall, predicted that in the
event of Republican success the people
would witness a resort to military rule.

Fly's Wonderful Agility.

A fly so minute as to be almost in-
visible ran three inches in half a sec-
ond, and was calculated to make no
less than 540 steps in the time a man
could breathe once. A man with pro-
portionate agility could run 24 miles
in a minute.

The Most Common Cause of Suffering.

Rheumatism causes more pain and
suffering than any other disease, for
the reason that it is most common of
all ills, and it is certainly gratifying
to sufferers to know that Chamber-
lain's Pain Balm will afford relief, and
make rest and sleep possible. In many
cases the relief from pain, which is at
first temporary, has become perma-
nent, while in old people subject to
chronic rheumatism, often brought on
by dampness or changes in the weather,
a permanent cure cannot be expected;
the relief from pain which this lin-
iment affords is alone worth many
times its cost. 25 and 50 cent sizes for

Their Reward.

The two men in Kentucky who have
during the past few months hit the to-
bacco growers the hardest blows, are
Governor Willson and Judge Burnam,
of Richmond, says the Winchester Dem-
ocrat. Governor Willson's utterances
and his official conduct show that he
has scant sympathy for the tobacco
growers and that he is willing to lend
his aid and comfort to the tobacco trust
in the contest for supremacy is being
waged.

Judge Burnam, as a member of the
State Senate, is more responsible than
any other man for the defeat of the
McChord Bill, which was advocated by
the tobacco growers. These are two
of the men selected by the Republicans
of Kentucky to represent the State as
delegates at large in the Chicago Con-
vention. Is that a part of their re-
ward for the hand they have taken in
the fight against the tobacco growers
of the State?

At Chicago they will meet Senator
Aldrich, of New Jersey, who is solely
responsible for the failure of Congress
to remove the tax from leaf tobacco,
and the meeting between these three
who have labored to a common end
ought to be a jolly one. This is a good
thing for our Republican tobacco grow-
ers to smoke in their pipes.

Reading.

History makes men wise, poetry
witty, mathematics subtle, philosophy
deep, morals grave, logic and rhetoric
able to contend; nay, there is no im-
pediment in the wit but may be
wrought out by fit study, where every
defect of the mind has its proper rem-
edy. Those that have the excellent
faculty of using all they know can
never know too much.

STRANGE ADVICE!

Dr. G. G. Green gives alert personal attention
to his great humanitarian contract.

In our Almanac for many years past we
have given unusual advice to those afflic-
ted with coughs, colds, throat or lung
troubles or consumption. We have told
them if they did not receive any special
benefit after the use of one 75-cent size
bottle of German Syrup, to consult their
doctor. We did not ask them or urge
them to use a large number of bottles, as
is the case in the advertising of many
other remedies. Our confidence in Ger-
man Syrup makes it possible for us to
give such advice. We know by the ex-
perience of over 35 years that one 75-cent
bottle of German Syrup will speedily re-
lieve or cure the worst coughs, colds,
bronchial or lung troubles—and that,
even in bad cases of consumption, one
large bottle of German Syrup will work
wonders. New trial bottles, 25c.; reg-
ular size, 75c. At all druggists.
